DETAILED ACTION

Response to Amendment

The reply filed on 02/23/04 is not fully responsive to the prior Office Action because: The amendment still does not list the text of claims, including those withdrawn, nor does claim 35 have the proper status identifier. Claim 35 depends from claim 34, which is labeled as "New"; therefore, claim 35 cannot be previously presented as it depends from a "New" claim. Applicant was given one month from the mailing date of the first Notice of Non-Compliant Amendment, and is reminded that the deficiencies of this Amendment must be cured and timely filed. Applicant must respond by 03/12/04.
